

Give Hope Through *Everyday Essentials*

This past year, **5,637 families turned to The Children's Center for support.** Thanks to generous donations, we provided basic needs like food, hygiene products, and cleaning supplies — including over **3,399 meals through our on-site pantry.**

If your company or foundation is looking to make a direct impact, donating items from our current needs list is a powerful way to help. Whether you're gathering supplies or giving directly, your support provides real relief and restores dignity.
