

HELPING CHILDREN DREAM AGAIN

A Community Meeting on Special Education

Learn About Special Education Services and Supports

Our Consumer Council is hosting a Community Meeting with the Wayne Regional Education Services Agency Parent Advisory Committee (WCPAC).

WCPAC helps develop our county's plan for Special Education Programs and Services. These members can help inform you on community resources and advocate for you and your child. Come to the meeting, learn more, become a leader. Everyone is welcome. Child Care is available upon request.

Topics include:

- Services and supports for Special Education
- The role of a Community Monitor
- Getting involved in the Parent Advisory Council
