

HELPING CHILDREN DREAM AGAIN

Fatherhood Initiative Seminar: Cybersecurity Careers

Learn about Pathways to Employment in Cybersecurity

Cybersecurity is one of the fastest growing fields in the job market today. Yet, many of our youth are unaware of the exciting opportunities available to them in this field. That's why our Fatherhood Initiative will be hosting a special seminar with speaker, Terrance Campbell, WCCCD Cybersecurity Program Director, to inform fathers and youth about how to become tomorrow's Cybersecurity professionals today.

Topics Include

- What is Cybersecurity?
- Why is there a need for Cybersecurity professionals?
- Preparing residents (youth, adults, and older adults) for careers in Cybersecurity
- Certification programs in Cybersecurity

Who's Invited

The Children's Center fathers or male caregivers and their kids, ages 13-17.
