

HELPING CHILDREN DREAM AGAIN

# Youth MOVE Detroit Advisory Council

“Youth can motivate others through voices of experience. Youth are not leaders of tomorrow—they are leaders of today.” – Youth MOVE National

“Joining Youth MOVE Detroit helped me become a better leader. The events are youth friendly. There are opportunities to advocate with other youth by telling my personal story. The council is a great place to also seek employment to be a youth advocate and gain leadership skills.”

–Youth Advisory Council Member
