Fathers with child support obligations often face difficult issues such as:

- Not understanding how the child support system operates
- Unpaid child support
- Legal consequences that result from unpaid child support
- Missed visitation opportunities when they have visitation rights

Attendees Will Have the Opportunity To:

- Help fathers learn more about the child support system and how to effectively participate within it, so they will be in a better position to connect with their children
- Support dads in understanding why it is important to establish paternity
- Receive resource material related to child support and establishing paternity
