

HELPING CHILDREN DREAM AGAIN

# Dinner with the Doctors at The Children's Center

## Join us for dinner with the Psychiatric Team of The Children's Center

Parents are encouraged to ask questions about their child's medications, treatment plans and services. Working with the doctor is an important part of a child's treatment.

Families will have the opportunity to get to know the Psychiatrists of The Children's Center over dinner and ask general questions about the treatment process.

**All are welcome to attend!**
