

HELPING CHILDREN DREAM AGAIN

Fathering During COVID

We know that 2020 has shaken up many people's lives—physically, emotionally, financially, and educationally, and much of the shaking has been caused by the COVID-19 pandemic.

Join us for our Fathering During COVID session, a safe space to explore the impact as well as empower fathers and father-figures.

WHO

Fathers and father-figures in Wayne County.

Prizes will be available to the first 25 fathers or father-figures who sign-up AND log-in to the event on 9/24/2020.

RSVP

Please reach out to John Miles, Wayne County Fatherhood Initiative Coordinator, at jmiles@thechildrenscenter.com to sign-up.
