# Quarterly Change Champions Meetings

## What are the Crisis to Connection Quarterly Change Champions Meetings?

The Crisis to Connection Quarterly Change Champions Meetings are designed to bring together the Change Champions involved in the work of Crisis to Connection to report on the progress of their work, share information and resources, and provide a space for learning and training.

The 90-minute quarterly meeting is coordinated by the Crisis to Connections Operations Team and provides an opportunity for the Advisory Council members to engage and interface with Sub-committee members.

## Who should attend?

Advisory Council members and Subcommittee members are requested to attend the Quarterly Change Champions Meetings.

Any organizations and individuals who are not actively involved in the Crisis to Connection work are welcomed and encouraged to attend to learn more about the progress of the work.

## When are the Quarterly Change Champions Meetings?

The Quarterly Change Champions Meetings will be held the 3rd Wednesday from 10:00 a.m. to 11:30 a.m. of every first month of the quarter (January, April, July, October).
