CRISIS TO CONNECTION:  
**AN IMPERATIVE FOR  
OUR BLACK BOYS**

# Crisis to Connection Media Kit

## Thank you for your interest in CRISIS TO CONNECTION: AN IMPERATIVE FOR OUR BLACK BOYS

This media kit is being provided to engage community stakeholders and systems leaders in conversations around the issues, work and outcomes surrounding the Crisis to Connection Imperative.

Below you will find links meant to help frame the conversation around the “imperative need” for change to organizations and systems that impact the life trajectory of Black boys. We welcome all to join the conversation and the Imperative to help ensure Black boys can live their Dreams. If you have questions or would like to get involved, please feel free to email [crisistoconnection@thechildrenscener.com](mailto:crisistoconnection@thechildrenscener.com) or contact Kelvin Brown at [kbrown@thechildrenscener.com](mailto:kbrown@thechildrenscener.com).
