

For Children. For Families.

Forever.

Where your gift becomes a legacy.

At The Children's Center, our mission is simple yet profound: to help children and families shape their own futures. Unfortunately, too many of those futures are being shaped by trauma.

Without early intervention, this trauma becomes generational.

The Children's Center provides comprehensive behavioral health services, including trauma-informed therapy and counseling for children and families facing severe adversity. We support safe and stable foster care placements, and offer wraparound programs—from basic needs assistance to parenting support and community referrals—that strengthen families and help them heal and thrive together.

Your gift helps children heal, grow, and feel hope again. Whether they are overcoming trauma, navigating foster care, or building stability with their families, your support makes it possible.

By giving to our endowment, you ensure that care never stops. Your generosity creates lasting, reliable support so we can be there for every child today, tomorrow, and for generations to come. Legacy gifts, like bequests or beneficiary designations, extend your impact beyond a lifetime.

Because every child deserves more than a moment of help. They deserve a future.

MICHIGAN CENTRAL STATION CHILDREN'S ENDOWMENT INITIATIVE

The Children's Center was selected as one of just eleven youth-serving organizations in metro Detroit to receive funding and a matching opportunity through the Michigan Central Station Children's Endowment Initiative.

An endowment gift from you will become part of a legacy that funds care, growth, and possibility, year after year.

How Endowment Gifts Make a Difference

Endowment funding plays a vital role in securing the future of The Children's Center and ensuring we can continue to meet the evolving needs of children and families for decades to come.

We've already received an initial \$500,000 gift to start this endowment fund. Every additional dollar raised will be matched, dollar for dollar, up to an extra \$500,000 through 2026.

For every \$1,000 donated that is matched, the endowment will payout \$100 every year, helping kids forever!

EXAMPLE GIFT

Together, we can build a \$1.5 million endowment that will support children and families for generations with a 5% annual interest payout.

Join us in building a *legacy*
that will uplift children & families
for generations.
