THANK YOU

Today, your generosity gave hope to a child who needed it most. Thank you!

Every day in Detroit and across Wayne County, children face the painful realities of abuse, neglect, and abandonment. Many enter foster care or our mental and behavioral health programs carrying not just the trauma of their experiences, but also the weight of uncertainty about what comes next.

At The Children's Center, we surround children and families with life-changing support — from foster care case management and adoption services, to trauma-informed therapy, developmental services, and educational resources. Your gift helps us provide safe and stable homes, mental health counseling, school readiness programs, clothing, and other essentials that restore dignity and create a foundation for healing.

Thanks to you, a child may go to bed tonight feeling secure for the first time in weeks... a teenager may meet with a counselor who truly listens... and a family may finally receive the tools they need to build a brighter future together.

We also invite you to join us in making an impact year-round through our holiday programs, back-to-school initiatives, and special events that bring joy and stability to children when they need it most.

Your kindness is more than a donation — it's a lifeline. Together, we can ensure that every child we serve knows they are safe, supported, and never alone.

With gratitude,

The staff and volunteers of The Children's Center
